HEALTH SAVINGS ACCOUNT (HSA)			
A Health Savings Account (HSA) is an account established with pre-taxed money in order to save for future medical expenses. In order to establish an HSA you must first be enrolled in an HSA-Qualified High Deductible Health Plan (HDHP). This plan is designed to be an HSA-qualified HDHP. Enrolling in an HDHP allows you the opportunity to make contributions to an HSA on a pre-tax basis.			
Maximum Contribution: The maximum contribution amount is indexed each year by the U.S. Treasury. The 2025 maximum contribution is: <b>\$4,300</b> for self-only coverage and <b>\$8,550</b> for family coverage. If you have any questions about the benefits of an HSA, please consult your tax accountant.
