

## **The 10th Annual Mega Musical Chairs Event**

*Charity Fundraiser hosted by Alpha Epsilon Delta*

501(c) Non-Profit

The 10th Annual Mega Musical Chairs Fundraiser is coming back to the University of South Alabama bigger and better than ever before September 29th, 2023! Not only will the fundraiser allow players to enjoy themselves and play a competitive game of musical chairs, but it will also foster friendly competition and philanthropic engagement between some of the campus's biggest organizations.

ALL proceeds from the fundraiser go to the WINNER'S non-profit charity of choice! You may wonder, "Why not play for one philanthropy rather than letting the winner choose the charity?" The ideology behind MMC is to underscore an understanding for the vast diversity of our world's needs. Through this event, students and community members will educate each other on vital lessons of charity and compassion.

The fundraiser, with over 800 participants, has been featured on television and in articles on WKRG, Local 15 TV, FOX 10 TV, AL.Com, and University of South Alabama publications (website, Facebook page, Vanguard). The event's [website](#) contains additional publication information. MMC has also been awarded honors such as the prestigious international award Student- Driven Program of the Year at the 2016 ACUI Annual Conference and the Student Organization of the Year at the 2019 University of South Alabama Student Leaders Awards Banquet.

We hope you will join us in bringing our vision to life. Your sponsorship of the 10th Annual Mega Musical Chairs would provide us with the funds to make this event possible. It would also allow us to give the Mobile community a unique vantage point from which they may gain a better understanding for needs that exist throughout our local as well as international communities. We hope you will take the time to review this request and consider partnering with us to make the 2023 Mega Musical Chairs the biggest and best yet!

Best Regards,  
Mega Musical Chairs Board
