

Lewis Quarters Site Artifacts by Identification Number List

ID no. 2010-15-1

Artifact Type: Metal

Description: Tool, Iron, Indeterminate Manufacturing

Weight: 187.6 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-1

Artifact Type: Glass

Description: Indeterminate Vessel, Flat, Clear, Indeterminate Manufacturing, Plain

Weight: 14.0 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-2

Artifact Type: Glass

Description: Indeterminate Vessel, Flat, Clear, Indeterminate Manufacturing, Etched

Weight: 0.6 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-3

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Indeterminate Manufacturing, Plain

Weight: 106.2 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-4

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Molded, Plain

Weight: 9.2 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-5

Artifact Type: Glass

Description: Indeterminate Bottle, Curved, Clear, Molded, Plain

Weight: 1.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-6

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Molded, Molded Decoration, Stripping, Texture

Weight: 4.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-7

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Molded, Embossing, Cursive Letters are Illegible

Weight: 0.7 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-8

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Molded, Molded Decoration

Weight: 12.8 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-9

Artifact Type: Glass, Indeterminate Vessel, Curved, Clear, Molded, Plain, Possibly Part of a Jar

Description: Indeterminate Brick Fragments > 0.5 inch

Weight: 4.0 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-10

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Indeterminate Manufacturing, Indeterminate Finish, Plain

Weight: 6.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-11

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Machine Made, Machine Finish

Weight: 5.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-12

Artifact Type: Glass

Description: Indeterminate Bottle, Curved, Clear, Machine Made, Machine Finish

Weight: 7.0 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-13

Artifact Type: Glass

Description: Indeterminate Bottle, Flat, Clear, Molded, Cup Bottom Base, Plain

Weight: 0.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-14

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Indeterminate Manufacturing, Cup Bottom Base, Plain

Weight: 1.9 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-15

Artifact Type: Glass

Description: Indeterminate Bottle, Curved, Clear, Indeterminate Manufacturing, Cup Bottom Base, Plain

Weight: 2.1 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-16

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Clear, Indeterminate Manufacturing, Plain, Burned

Weight: 162.9 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-17

Artifact Type: Glass

Description: Window Glass (Home), Flat, SL, Indeterminate Manufacturing, Plain

Weight: 20.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-18

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, SL, Indeterminate Manufacturing, Plain

Weight: 51.9 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-19

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, SL, Indeterminate Manufacturing, Plained, Burned

Weight: 12.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-20

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Amber, Indeterminate Manufacturing, Plain

Weight: 2.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-21

Artifact Type: Glass

Description: Indeterminate Vessel, Curved, Amber, Molded, Embossed, Illegible Letter

Weight: 0.6 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-22

Artifact Type: Glass

Description: All Glass < 0.5 inch, All Colors

Weight: 19.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-23

Artifact Type: Lithics

Description: Non-Cultural Stones, Indeterminate Materials

Weight: 3.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-24

Artifact Type: Fauna

Description: Oyster Shell Fragments

Weight: 3.1 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-25

Artifact Type: Fauna

Description: Indeterminate Shell Fragments

Weight: 5.6 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-26

Artifact Type: Fauna

Description: Indeterminate Bird Bone Fragments

Weight: 0.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-27

Artifact Type: Other

Description: Indeterminate Object, Plastic Fragments

Weight: 1.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-28

Artifact Type: Other

Description: Button, Indeterminate Material

Weight: 0.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-29

Artifact Type: Metal

Description: Zipper, Cupreous, Indeterminate Manufacturing, Chain Attached

Weight: 2.8 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-30

Artifact Type: Metal

Description: Washer, Cupreous, Indeterminate Manufacturing

Weight: 0.2 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-31

Artifact Type: Metal

Description: Coin/Token, Cupreous, Indeterminate Manufacturing

Weight: 0.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-32

Artifact Type: Metal

Description: Indeterminate Object, Iron, Indeterminate Manufacturing, Iron Wire-Inside Object

Weight: 5.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-33

Artifact Type: Metal

Description: Indeterminate Object, Cupreous, Indeterminate Manufacturing

Weight: 0.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-34

Artifact Type: Metal

Description: Indeterminate Object, Indeterminate Metal

Weight: 0.8 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-35

Artifact Type: Ceramic

Description: Indeterminate Ceramic, Indeterminate Vessel, Body

Weight: 0.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-36

Artifact Type: Ceramic

Description: Plain Whiteware, Indeterminate Vessel, Body

Weight: 0.2 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

3D Image: <https://skfb.ly/pxGKP>

ID no. 2010-25-37

Artifact Type: Ceramic

Description: Indeterminate Whiteware, Indeterminate Vessel, Body

Weight: 1.7 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-38

Artifact Type: Ceramic

Description: Indeterminate Whiteware, Indeterminate Vessel, Straight Rim

Weight: 0.7 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-39

Artifact Type: Ceramics

Description: Porcelain, Indeterminate Vessel, Body

Weight: 5.2 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-40

Artifact Type: Ceramic

Description: Indeterminate Slipware, Indeterminate Vessel, Body, Burned

Weight: 3.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-41

Artifact Type: Glass

Description: Indeterminate Vessel, Flat, Milk Glass, Pattern Molded, Molded Decoration

Weight: 2.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-42

Artifact Type: Architectural Material

Description: Indeterminate Brick Fragments < 0.5 inch

Weight: 1.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-43

Artifact Type: Flora

Description: Carbonized Wood

Weight: 3.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-44

Artifact Type: Other

Description: Coal

Weight: 0.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-45

Artifact Type: Other

Description: Shingles, Asphalt

Weight: 3.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-46

Artifact Type: Other

Description: Plastic Fragments

Weight: 0.1 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-47

Artifact Type: Metal

Description: Indeterminate Fragments, Iron, Indeterminate Manufacturing, < 0.5 inches

Weight: 1.8 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-48

Artifact Type: Other

Description: Cinder, Clag

Weight: 17.1 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-49

Artifact Type: Fauna

Description: Rangia Shell Fragments

Weight: 1.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-50

Artifact Type: Fauna

Description: Indeterminate Bone Fragments

Weight: 0.4 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-51

Artifact Type: Fauna

Description: Indeterminate Bone Fragments, Burned

Weight: 0.1 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-52

Artifact Type: Architectural Material

Description: Indeterminate Brick Fragments < 0.5 inch

Weight: 57.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-53

Artifact Type: Architectural Material

Description: Indeterminate Brick Fragments > 0.5 inch

Weight: 130.9 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-54

Artifact Type: Architectural Material

Description, Mortar

Weight: 67.8 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-25-55

ID no. 2010-127-12

Artifact Type: Metal

Description: Metal: Hinge with Two Whole Nails, Iron: Indeterminate Manufacturing

Weight: 41.8 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-127-13

Artifact Type: Glass

Description: Indeterminate Vessel, Curved: Clear, Indeterminate Manufacturing, Painted Red/ White/ Blue

Weight: 3.8 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-129-1

Artifact Type: Lithic

Description: Slate Fragment

Weight: 48.2 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

ID no.: 2010-129-2

Artifact Type: Metal

Description: Light Bulb Base, Aluminum, Indeterminate manufacturing, Copper Wire and Clear Glass Attached, Embossed "87" "13"

Weight: 17.0 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image Yes

ID no. 2010-130-1

Artifact Type: Glass

Description: Whole Bottle (Pharmaceutical), Flat, Clear, Machine Made, Threaded Finish, Cup Bottom, Embossed " _ii / _ / 1 / CC /10 / 20 / 30 / 40" "OWENS / 18_7" Suction Scar on Base

Owens Illinois Glass Co. 1929-1960

Weight: 83.2 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-131-2

Artifact Type: Glass

Description: Glass: Indeterminate Vessel, Curved, Clear, Indeterminate Manufacturing, Etched

Weight: 6.1 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-131-3

Artifact Type: Glass

Description: Glass: Indeterminate Vessel, Curved, Clear, Molded, Plain

Weight: 4.6 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-131-4

Artifact Type: Glass

Description: Glass Soda Bottle, Curved, Clear, Molded, Embossed, "Cola/® 10 FL 0", (Coca Cola)

Weight: 5.5 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-131-5

Artifact Type: Glass

Description: Glass: Indeterminate Vessel, Curved, Clear, Molded Decoration, Embossed “D” (duraglass)

Weight: 1.9 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies

Image

ID no. 2010-131-6

Artifact Type: Glass

Description: Glass: Indeterminate Vessel, Curved, Clear, Molded, Threaded Finish, Plain, Possibly a Jar

Weight: 7.3 g

Site: Lewis Quarters, Africatown, Alabama

Excavation: 2010, Neil Norman, PhD, College of William and Mary

Curation 2021-Present: University of South Alabama

Alfred and Lucille Delchamps Archaeology Building, USA Archaeology Museum and USA Center for Archaeological Studies
